Manchester Grand
Hyatt Hotel

•
San Diego, CA

•
Booth # 3

Otolaryngology Research

Due to CBI's unique experience in preclinical contract otic studies and state-of-the-art facilities, we have the skill and expertise to accelerate new ear drugs from discovery through the drug development process to regulatory submission. CBI is committed and dedicated to providing state-of-the-art research and offers a complete range of services to pharmaceutical, biotech, and medical device companies.

- Otic Toxicology Studies
- Otic Pharmacokinetics Studies
- Otic Modeling and Pharmacology
